PLAYER SELECTION POLICY

Selection for PV Comets Representative Teams will be undertaken in October/November each year for all age groups and mid-year selections may be held in July for 15&U, 17&U and Open Age players. Selections for players will be conducted by a Panel of at least two selectors. The Selection Panel will provide its selections to the Committee for general court positions as goalers, mid-court players and defenders, in each section. It is anticipated that at least one to two teams will be selected in each age group, with a third team, numbers permitting. Prior to final team selections being confirmed, consideration will be given to a player's previous behaviour in line with the Player Code of Conduct and timely payment of fees. All players will be notified by email of the outcome of these selections.

Only players that try out and are selected will be eligible for teams. Players who are unsuccessful in the selections for 11&U and 13&U age groups will be placed on an Emergency List and may be invited to attend training sessions / tournaments if required. If there are no emergency players listed, it will be at the team coach's discretion to invite a player to training or a tournament; however notification must be given to the PV Comets committee to negotiate membership fees or one-off payments. When a player is unable to attend a tryout session due to illness, injury, etc., due consideration will be given to the player. A player who is unable to attend tryouts is not guaranteed of being selected, but where exists, a previous coach of the player may be contacted to gauge best fit. 11 & U Development Squad will look to get young netballers involved in the representative teams.

Players may nominate to try out for a section above their qualifying age group; however it is at the discretion of the selectors to determine whether they will be offered a position on the squad they have nominated or the squad of their qualifying age group. Those players need to tryout in each of the nominated and qualifying age groups.

Squads for each age group will be announced, final teams (based on the announced squads) for the first round/tournament will be announced towards the end of pre-season/tournament training. The final teams will be based on the selector's recommendation and the performance & commitment to pre-season training as judged by the coaches.

No correspondence will be entered into after selections have taken place.
